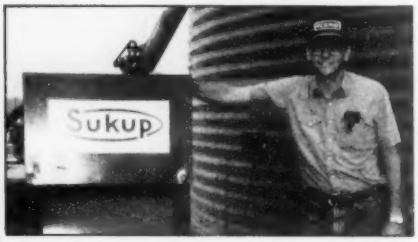
Sukup FANtastic™ Fans

First in Airflow
Flawless Performance

Sukup Fans are #1! Ask a Sukup fan owner, they'll tell you that they're *FANtastic*™!

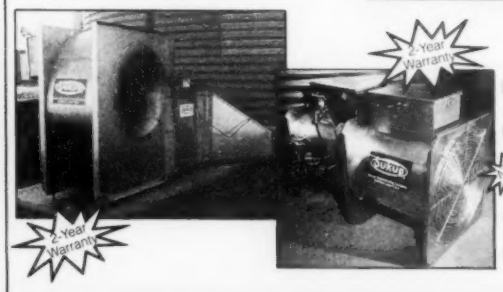


"Sukup Fans have performed flawlessly for many years. The airflow from Sukup Fans is awesome."

T. Alex Palmer,
Sukup Fan owner; Lee County, Ark.

"The best thing that we did for our drying system was to put in the 20 hp Sukup centrifugal fan...This fan kept ahead of an 8-row combine and more than doubled our drying rate."

Grant Gilmore,
Sukup Fan owner; Harris, Iowa



- Excellent Airflow
- Airfoil Blades
- New Galvanized Housings
- Efficient, Reliable Heaters
- Increased Drying Rates
